## PROFESSIONAL SUMMARY

Full of eagerness to contribute to a dynamic team and further enhance my skills as a Web Developer or in any IT-related field, while making a meaningful impact on different projects.

## EXPERIENCE

### Web Designer

May 2024 – July 2024

#### Freelance, Florida, USA

- **Live Mentoring Platform Design:** Created an intuitive and visually appealing user interface for a live mentoring website, ensuring a seamless user experience for students and mentors.
- **Responsive Design:** Ensured the website was fully responsive, providing an optimal viewing experience across various devices and screen sizes.
- **Project Management:** Managed the design process from concept to completion, ensuring timely delivery and adherence to project requirements. Utilized project management tools to organize tasks, track progress, and meet deadlines.

### Front-End Developer

Dec 2023 – April 2024

#### Freelance, Florida, USA

- **Front-End Frameworks:** Utilized Solid.js to build dynamic and interactive user interfaces.
- **UI/UX Design:** Applied UI/UX design principles to create an intuitive and visually appealing user interface, focusing on enhancing user engagement and satisfaction.
- **Testing and Debugging:** Conducted thorough testing and debugging to identify and fix any issues, ensuring a stable and reliable platform.

### Web Developer Intern

March 2023 – July 2023

#### New Media Services Philippines, Loakan, Baguio City

- Completed 600 hours of On-the-Job Training.
- Participated in daily stand-up meetings and sprint planning sessions to discuss progress, set goals, and allocate tasks effectively within the team.
- Conducted code reviews and provided constructive feedback to peers to ensure code quality, consistency, and adherence to coding standards.
- Conducted usability testing and gathered feedback from internal stakeholders to identify areas for improvement and refine the user interface design and functionality.
